

## CURATOR'S NOTES #6

*(An occasional series of notes from the Curator of Bampton Heritage & Visitor Centre)*

### NEW DISPLAY IN THE CHURCH

Beryl Fothergill was midwife in Bampton from 1952 until 1960. There is a new exhibit in the church. We also have her case books for this period – the names of the mothers have been listed, together with other information about the birth – if you were born or gave birth during this period, we would be happy to show you the entry. Please contact me if you are interested.

### LAST MONTH'S MYSTERY OBJECT

Nobody seems to have any idea as to what this might be! A wide band of cloth with the symbols, "G" and "R" separated by a crown (Great Western Railway?; a military issue?) and also, in smaller type, "LPLMA-1943". Guesses welcome!

**OLD PHOTOGRAPHS OF BAMPTON** Many readers live in older houses in Bampton – if you have any old photos (or any other historical information) we would be very happy to see it and copy it for our collection.
