

October 2018

We have been sending blankets, hats, jumpers and blankets to Syrian refugees and small items to Musgrove Pre-baby unit.

We have also sent cash donations this year to Marie Curie, Devon Air Ambulance, Children's Hospice South West, Shelterbox and Bampton Scouts amongst others.

Good Morning Sheila,

Thank you for the parcel which arrived safely and the knits, as ever, perfect for the needs of those fortunate enough to receive them.

Please pass on our thanks, as always, who have worked so hard.

We go to Kenya on Thursday 11th and return on Monday 22nd Oct. A short visit this time.

If you can avoid sending a parcel during that time Sheila it will help, although there is a system in place to deal with parcels, but I like to make as little work for other people as possible.

With many thanks and all good wishes

Barbara
