

**KNIT AND NATTER – November 2024**

Thanks to all who helped by knitting, crocheting or donating yarn to the Knit & Natter group. On Tuesday 26th November I took a car load up to Taunton to the RAFT Volunteers who were so delighted with our contributions. They have a shipment going to Ukraine next week to which our items will be added.

This time we donated:

12 single blankets, 3 children's blankets, 9 baby blankets, 60 scarves, 27 adult hats, 8 baby hats, 31 various jumpers & cardis, 2prs socks and 25 baby jumpers.

All very much appreciated.
