Most visits leave at 9.00 am from Station Road Car-park but some more local ones leave at 9.30am – check with Wendy - and we normally return about 6pm. It is likely that trips will be approximately £25 to include entry, guided tours, and transport (we do not aim to raise any surplus, but simply cover costs, and if costs are lower, the trips will be charged a lesser amount). Of course, the more people who book seats to fill a coach or minibus, the cheaper it is! In order to help our administration and to avoid problems with the coach company, please book well in advance – please find a substitute if for some reason you have to cancel.

On some trips, places may be limited so book early to avoid disappointment.

Note that the Society has arrangements to purchase bulk orders of seeds at considerable discount – all members are automatically entitled to join this scheme.
